Crane Safety Presented by George Wheeler of Marco Crane

Moving large, heavy loads is crucial to today's manufacturing and construction industries. A lot goes into these operations, including careful training and extensive workplace precautions. There are significant safety issues to be considered, both for the operators of the diverse "lifting" devices, and for workers in proximity to them.

To register, please contact Kerri Neumann:
Email: kneumann@nealelectric.com / Fax: 858-513-9499.

Please RSVP by Friday, May 8th by Noon.
