Barbara Khozam has captivated audiences around the globe with her humorous, fast-paced, no-nonsense approach to taking responsibility for your actions. With a B.S. in Chemistry from the University of Santa Clara in California, she threw aside a lucrative career as a chemist to find her true passion as a speaker, trainer and motivator.

Since 1999, she has spread her ZAMitude!™ to more than 35,000 people in seven countries, customizing each presentation to fit the situation. Barbara peppers her presentations with real-life lessons from the competitive worlds of business and sports. A professional beach volleyball player for five years, she grabs your attention at the start and never lets up. Her goal? To ensure you leave with a renewed sense of purpose, a commitment to change and the tools you need to unleash the power of ZAMitude!™

So tighten your seatbelt. And get ready for a life-changing experience!
