3rd Annual **MAGIC** Summer Camp

June 28 – July 2, 2010

Construction Tech Academy

The National Association of Women in Construction is partnering with Construction Tech Academy to offer 28 high school girls an opportunity to learn in a hands-on **FREE** summer day camp the basic skills of **carpentry, electrical, plumbing, sheet metal, masonry, and surveying**. Camp activities also include tool and heavy equipment demonstrations and more!

This camp is designed to challenge high school girls to discover the many opportunities available in this exciting and rewarding field of construction. Girls will learn valuable skills. Guest speakers and camp counselors will include women and men employed in the industry.

YES! I am interested in donating to the NAWIC MAGIC Construction Summer Day Camp to be held at Kearny High's Construction Tech Academy campus.

Sponsorship Levels:

Gold - \$3,000.00
